"(ii) who is a kadim tenant paying an annual rent of not less than Rs. 50 per annum to the holder of an alienated village (the Jahgirs of Yelandur and Sringeri excepted) to which the provisions of Chapters VIII to X of the Land Revenue Code have been applied;

or

"(iii) who pays annually mohatarfa tax or municipal tax of not less than Rs. 10 to a Municipal Council."

The following will be added as a note to the above rule:—

NOTE.—If property is held or payments are made jointly by the members of a joint family or partnership, the family or partnership shall be adopted as a unit for deciding whether the qualification exists; and the vote shall be exercised in the case of a Hindu joint family by the Manager thereof or the member authorised by a majority of a family and in other cases by the member or partner authorised in that behalf by a majority of a family or the partnership concerned.

"EXPLANATION.—"Partnership" includes a company, firm, association, body of two or more guardians or trustees or joint pattadars or other body possessing joint rights."

No. G. 28436—*P. P.* 14-19-6, *dated 29th June* 1920.

The following Notification of the Government of India, Department of Education No. 199, dated 27th May 1920, directing certain addition as Rule VIII to the Rules published with their Education Department Notification No. 78, dated the 4th March 1918, is published for general information and for guidance of the officers concerned:—

"The Governor-General in Council is pleased to direct that the following shall be added as Rule VIII to the Rules published with this Department Notification No. 78, dated the 4th March 1918.

Rule VIII—The grants fixed in Rule I are, like other limits of expenditure prescribed in Rule 24, Part V of the Ecclesiastical Rules, exclusive of departmental charges."

No. G. 28547—*P. P.* 114-19-15, *dated 29th June* 1920.

Under the provisions of the Yelandur Jahgir Regulation I of 1885, the Government of His Highness the Maharaja are pleased to declare Mr. Nagaraja Rao Purnaiya, minor elder son of Mr. Narasinga Rao Purnaiya, to be the Jahgirdar of Yelandur, in succession to the late Mr. Narasinga Rao Purnaiya, with effect from 1st January 1920, on which date the late Jahgirdar died.

By Order,
C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

REVENUE.

No. R. 13798—*Ft.* 196-19-3, *dated 17th June* 1920.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that from 15th July 1920, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof:—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga ...	Tirthahalli	A. g. 3,619 24 or 5·66 square miles.	Ubbur	*North.*—Starting from a point on the left bank of a halla about 25 chains south-west from the south-west corner of

Survey No. 17 of Kikkeri the line runs south-east for about 98 chains through Survey No. 35 of Kikkeri to the south-west corner of Survey No. 34; then south-east for about 92 chains through Survey Nos. 34 and 44 to a point about 20 chains slightly north-west from the quadro-junction bandhs of Kikkeri, Garga Singanbidre and Kulandi, then north-east for about 11 chains through Survey No. 44 to a point on the common boundary between Kikkeri and Garga about 15 chains north-west from the said quadro-junction bandhs; then north-west along the said common boundary to the easternmost corner of Survey No. 28 (tank) of Kikkeri; then east for about 39 chains through Survey No. 44 of Kikkeri to the south-west corner of Survey No. 10 of Garga; then along its south-side to its south-east corner, then

north-west for about 62 chains through Survey Nos. 33, 11 and 13 of Garga, to a point about 3 chains south-east from the north-east corner of Survey No. 16 of Garga ; then north-east for about 7 chains through Survey No. 13 to a point about 6 chains slightly south-east from the north-east corner of Survey No. 15, then east for about 54 chains through Survey No. 13 to the trijunction bandhs of Siranelli Jodi Inam Grama, Hegalathi and Garga ; then south-east for about 19 chains along the common boundary between Jodi Inam Grama, Hegalathi and Garga to the trijunction bandhs of the said two villages and Singanbidre.

East.—Then the line runs south-east for about 26 chains through Survey Nos. 42 and 41 of Singanbidre to a point about 10 chains north from the north-west corner of Survey No. 40 ; then south-west for about 19 chains through Survey No. 41 of Singanbidre to a point about 6 chains north-east from the north-west corner of Survey No. 38 ; then slightly south-west for about 7 chains to a point on the common boundary between Singanbidre and Garga about 5 chains north-west from the north-west corner of Survey No. 38 of Singanbidre; then south-west and south-east on a semi-circular way through Survey No. 11 of Garga to a point on the said common boundary about 5 chains south-west from the north-west corner of Survey No. 38 of Singanbidre, then south-east for about 15 chains through Survey No. 37 to a point about 9 chains south-west from the south-east corner of Survey No. 38 ; then north-east for about 18 chains through Survey No. 37 to a point about 7 chains south-west from the south-east corner of Survey No. 39 ; then along the west-side of Survey No. 52 for about 6 chains to its south-west corner ; then south-east along the north-side of Survey No. 35 of Singanbidre to its north-west corner ; then south along the common boundary between Singanbidre and Garga to the quadro junction bandhs of the said two villages Kikkeri and Kulandi ; then south-west and south-east along the common boundary between Kulandi and Kikkeri to the quadrojunction bandhs of the said two villages, Halaga and Ubbur ; then south-east, south-west, south-east and south between the common boundary Ubbur on one side, Halaga and Sinduvadi on the other side to the quadro-junction bandhs of Ubbur, Sinduvadi Tyanandur and Hemmakki ; then south, south-east and south between the common boundary Hemmakki and Tyanandur to the quadrojunction bandhs of the said two villages, Lingapura and Jambavalli ; then east and north-east along the common boundary between Hemmakki and Lingapura to a point about 11 chains north-west from the south-west corner of Survey No. 31 of Lingapura ; then south-east for about 11 chains along the west-side of Survey No. 67 to a point about 6 chains south-east from the south-west corner of Survey No. 31 ; then south-east for about 20 chains through Survey No. 67 of Lingapura to a point about 10 chains south-east from the south-west corner of Survey No. 32 ; then slightly north-east for about 6 chains through Survey Nos. 67 and 57 to a point about 7 chains south-east from the south-east corner of Survey No. 32, then south-east for about 76 chains through Survey No. 57 to a point about 3 chains west from the north-west corner (tank) situated on the west side of Survey No. 53, then south for about 3 chains through Survey No. 57 to a point about 4 chains north-west from the south-west corner of the said katte.

South.—Then the line runs south-west for about 20 chains through Survey No. 57 of Lingapura to a point about 5 chains north-east from the north-east corner of Survey No. 60; then north-west for about 4 chains through Survey No. 57 to a point about 6 chains north from the north-west corner of Survey No. 60 ; then south-west for about 5 chains through Survey No. 57 to a point about 5 chains north-west from the north-west corner of Survey No. 60 ; then south-west for about 65 chains through Survey Nos. 57, 67 and 74 of Lingapura to a point about 4 chains north-east from the north-west corner of Survey No. 73, then slightly north-west for about 4 chains through Survey No. 74 to a point about 7 chains north-east from the north-east corner of Survey No. 72 ; then west for about 16 chains through Survey No. 74 to a point about 8 chains north-west from the north-west corner of Survey No. 72 ; then south-east for about 14 chains through Survey No. 74 to a point about 9 chains south-west from the north-west corner of Survey No. 72 ; then south-west for about 23 chains through Survey No. 74 to a point about 14 chains south-west from the south-west corner of Survey No. 71 (tank), then south-west for about 18 chains through Survey Nos. 74 and 75 to a point on the common boundary between Lingapura and Jambuvalli about 7 chains north-west from the north-west corner of Survey No. 76 of Lingapura ; then south-west for about 15 chains to a point on the high road leading from Tirthahalli to Shimoga through Survey No. 53 of Jambuvalli about 6 chains north-west from the south-west corner of Survey No. 76 of Lingapura ; then north-west along the said high-road for about 18 chains to a point about 7 chains east from the north-east corner of Survey No. 55 of Jambuvalli ; then north-west for about 21 chains through Survey No. 53 of Jambuvalli to a point about 8 chains north-east from the north-east corner of Survey No. 54 ; then north for about 16 chains through Survey No. 52 to a point about 7 chains north-east from the north-east corner of Survey No. 51 ; then north-east for about 12 chains through Survey No. 52 to a point about 6 chains east from the south-east corner of Survey No. 50 ; then north-west for about 13 chains through Survey No. 52 to a point about 9 chains north-east from the northernmost corner of Survey No. 50 ; then slightly north-west for about 15

chains through Survey No. 52 to a point about 20 chains east from the north-east corner of Survey No. 26: then north-east for about 14 chains through Survey No. 52 to a point about 5 chains east from the north-east corner of Survey No. 25; then north-west for about 8 chains through Survey No. 52 to a point on the common boundary between Tyanandur and Jambuvalli about 8 chains north-east from the north-east corner of Survey No. 25; then north-west for about 16 chains through Survey No. 83 of Tyanandur to a point about 6 chains south-east from the south-west corner of Survey No. 81; then east for about 10 chains through Survey No. 83 to a point about 9 chains south-east from the south-east corner of Survey No. 81, then north-east for about 17 chains through Survey No. 83 to a point about 13 chains north-east from the north-east corner of Survey No. 82; then west for about 17 chains through Survey No. 83 to a point about 4 chains north from the northernmost corner of Survey No. 82; then north-west for about 50 chains through Survey Nos. 83 and 72 to a point about 9 chains slightly south-west from the south-east corner of Survey No. 69, then north-east along the west side of Survey No. 70 to a point about 8 chains south-east from the north-east corner of Survey No. 69, then north-west for about 25 chains to a point on the common boundary between Ubbur and Tyanandur about 21 chains east from the northernmost corner of Survey No. 67 of Tyanandur; then north-east for about 66 chains through Survey No. 17 of Ubbur to the north-west corner of Survey No. 12 of Ubbur; then north-east for about 14 chains to a point about 11 chains south-east from the south-east corner of Survey No. 11; then north-west for about 37 chains through Survey No. 10 to a point about 21 chains north-east from the north-east corner of Survey No. 9; then north-east along the southern boundary of Survey No. 40 for about 63 chains to its north-east corner; then west and south-west for about 78 chains along the northern boundary of Survey No. 40 to a point about 10 chains south-east from the easternmost corner of Survey No. 38, then north-west for about 28 chains through Survey No. 39 to a point on the common boundary between Kikkeri and Ubbur about 8 chains slightly north-east from the southernmost corner of Survey No. 41 of Kikkeri, then north-west for about 5 chains through Survey No. 43 to a point about a chain south-east from the south-east corner of Survey No. 41 of Kikkeri, then slightly north-west for about 24 chains through Survey No. 43 of Kikkeri to a point about 11 chains north-east from the northernmost corner of Survey No. 42; then north-west for about 28 chains through Survey No. 43 to a point about 2 chains north-east from the northernmost corner of Survey No. 36; then north-west for about 2 chains through Survey No. 43 to a point about 2 chains slightly north-east from the northern most corner of Survey No. 36, then south-west for about 2 chains through Survey No. 43 to a point about a chain north-west from the northernmost corner of Survey No. 36; then south-west for about 25 chains hrough Survey No. 43 to a point about 10 chains south-west from the southernmost corner of Survey No. 37; then south-west for about 15 chains through Survey No. 43 to a point obout 10 chains slightly south-west from the northernmost corner of Survey No. 39; then aonth for about 13 chains to a point on the common boundary between Kikkeri and Ubbur sabout 5 chains north-east from the northernmost corner of Survey No. 31 of Ubbur; then north-west along the said common boundary to the trijunction bandhs of the said two villages and Kuchalu; then south along the common boundary between Kuchalu and Ubbur to a point about 5 chains north-west from the north-west corner of Survey No. 31 of Ubbur; then south-west for about 4 chains through Survey No. 18 of Kuchalu, to a point about 6 chains east from the north-east corner of Survey No. 9 of Kuchalu then south for about 7 chains through Survey No. 18 to a point about 10 chains east from the southernmost corner of Survey No. 9; then south-east for about 4 chains to a point on the common boundary between Kuchalu and Ubbur about 10 chains west from the southernmost corner of Survey No. 31 of Ubbur; then south for about 8 chains along the said common boundary to a point about 13 chains south-west from the southernmost corner of Survey No. 31; then south-east for about 37 chains to a point about 8 chains north-west from the north-east corner of Survey No. 41 of Ubbur; then south-west for about 13 chains along the north-side of Survey No. 40 to its north-west corner; then along its west side to the trijunction bandhs of Kuchalu, Sedagar and Ubbur; then south-east for about 13 chains along the west side of Survey No. 40 to a point about 17 chains south-west from the south-west corner of Survey No. 43 of Ubbur; then slightly south-east for about 61 chains through Survey No. 30 of Ubbur to a point about 10 chains south-west from the westernmost corner of Survey No. 21; then south-east for about 10 chains to a point on the common boundary between Ubbur and Tyanandur about 4 chains south-west from the southernmost corner of Survey No. 18 of Ubbur; then south for about 88 chains through Survey Nos. 62 and 90 of Tyanandur to a point about 11 chains south-west from the north-east corner of Survey No. 89; then south-west for about 9 chains through Survey No. 90 to a point about 5 chains north-west from the north-west corner of Survey No. 89; then south-east for about 11 chains through Survey No. 90 to a point about 8 chains south-west from the south-west corner of Survey No. 89; then north-east for about 16 chains through Survey No. 90 to a point about 11 chains slightly south-west from the westernmost corner of Survey No. 85; then south-east for about 15 chains through Survey No. 90 to a point on the common boundary between Tyanandur and

Jambuvalli about 6 chains north from the north-west corner of Survey No. 24 of Jambuvalli; then south-west for about 37 chains through Survey No. 18 of Jambuvalli to a point about 5 chains south-east from the north-east corner of Survey No. 93 of Tyanandur.

West.—Then the line runs north-west for about 7 chains through Survey No. 18 of Jambuvalli to a point on the common boundary between Jambuvalli and Tyanandur about 7 chains north-east from the north-east corner of Survey No. 93 of Tyanandur; then west for about 10 chains through Survey No. 91 of Tyanandur to a point about 8 chains north-west from the north-east corner of Survey No. 93 of Tyanandur; then north-west for about 17 chains through Survey No. 91 to a point about 7 chains south-east from the south-east corner of Survey No. 60; then north for about 39 chains through Survey No. 61 to a point on the common boundary between Sedagar and Tyanandur about 8 chains south-east from the south-east corner of Survey No. 12 of Sedagar; then east and north-east along the said common boundary to the north-east corner of Survey No. 11 of Sedagar; then north-west along the northern boundary of Survey No. 11 for about 14 chains to a point about 9 chains slightly south-east from the easternmost corner of Survey No. 10; then north-west for about 14 chains through Survey No. 37 to the easternmost corner of Survey No. 9 (tank); then north for about 44 chains through Survey No. 37 to a point about 11 chains south-east from the north-east corner of Survey No. 33; then north-east for about 9 chains through Survey No. 37 to a point about 3 chains east from the north-east corner of Survey No. 30 (tank); then north-west for about 7 chains through Survey No. 37 to a point about 3 chains north from the north-west corner of Survey No. 30 (tank); then north-west for about 34 chains through Survey Nos. 37 and 29 to a point on the common boundary between Sedagar and Kuchalu; about 20 chains south-east from the southernmost corner of Survey No. 70 of Kuchalu, then north-west for about 37 chains through Survey No. 21 of Kuchalu to a point about 17 chains north-east from the north-east corner of Survey No. 7; then north-east for about 36 chains through Survey No. 18 to the south-east corner of Survey No. 9; then along its east side to its north-east corner, then north-west for about 49 chains through Survey No. 18 to the north-east corner of Survey No. 16; then on the same direction for about 46 chains through Survey No. 18 to a point on the left bank of a Halla about 36 chains north-west from the north-west corner of Survey No. 16 then; along the left bank of the said Halla through Survey Nos. 18 of Kuchala and 35 of Kikkeri to the starting point.

REMARKS.

The following rights of way are admitted within the block for use by men and cattle in case of foot-paths which are six feet in width and by men, cattle and carts in case of cart-tracks which are 12 feet in width throughout the year.

1. *Foot-path leading from Garga to Mandagadde.*—It enters the forest in the northern boundary of the block at a point about 7 chains south-east from the south-east corner of Survey No. 17 of Garga and runs south-east for about 17 chains through Survey No. 33 of Garga and reaches the enclosure No. I at a point about 5 chains west from the south-west corner of Survey No. 12 and again it re-enters the forest from the said enclosure at a point about 13 chains south-east from the easternmost corner of Survey No. 12 of Garga and runs south-east for about 13 chains through Survey No. 41 of Singanbidre and quits the forest in the eastern boundary of the block at a point about 10 chains south-west from the north-west corner of Survey No. 40 of Singanbidre.

2. *Cart-track leading from Kikkeri to Sedagar.*—It enters the forest in the northern boundary of the block at a point about 17 chains south-west from the north-west corner of Survey No. 34 of Kikkeri and runs south, south-west and south-east for about 46 chains through Survey Nos. 35 and 43 of Kikkeri and quits the forest in the southern boundary of the block at a point about 3 chains south-west from the northernmost corner of Survey No 36 of Kikkeri.

3. *Foot-path leading from Kikkeri to Kamkandi (hamlet of Kuchalu).*—It branches from the cart-track number 2 *supra* at a point about 12 chains north-west from the northernmost corner of Survey No. 36 of Kikkeri and runs south-west, south for about 47 chains through Survey No. 43 and quits the forest in the southern boundary of the block at a point about 10 chains west from the northernmost corner of Survey No. 39 of Kikkeri and again it re-enters the forest in the southern boundary of the block at a point about 7 chains south-west from the north-west corner of Survey No. 31 of Ubbur and runs west for about 7 chains through Survey No. 18 of Kuchalu and quits the forest in the western boundary of the block at the north-east corner of Survey No. 9 of Kuchalu.

4. *Foot-path from Survey No. 40 of Ubbur to the coffee land situated in Survey No. 39 of Ubbur.*—It enters the forest in the southern boundary of the block at a point about 12 chains east from the northern-most corner of Survey No. 40 of Ubbur and runs north-east for about 7 chains and reaches the enclosure No. 2.

5. *Cart-track from Sedagar to Ubbur.*—It enters the forest in the western boundary of the block at a point about 3 chains east from the north-east corner of Survey No. 30 (tank) of Sedagar and runs north-east and east for about 11 chains through Survey Nos. 37 of Sedagar and 30 of Ubbur and quits the forest in the southern boundary of the block at a point about 5 chains north-west from the north-west corner of Survey No. 27 of Ubbur.

6. *Foot-path from Sedagar to Tyanandur.*—It branches from the cart-track No. 5 *supra* at the easternmost corner of Survey No. 9 (tank) of Sedagar which it enters the forest and runs south-east for about 34 chains through Survey Nos. 37 of Sedagar and 62 of Tyanandur and quits the forest in the southern boundary of the block at a point about 13 chains north-west from the north-west corner of Survey No. 65 of Tyanandur.

7. *Foot-path from Sedagar to Kuchalu.*—It enters the forest in the western boundary of the block at a point about 27 chains north-west from the north-east corner of Survey No. 32 of Sedagar and runs north-east and north-west for about 18 chains through Survey Nos. 37 of Sedagar and 21 of Ubbur and quits the forest in the western boundary of the block at a point about 12 chains south-east from the south-east corner of Survey No. 7 of Ubbur.

8. *Foot-path from Kerekoppa (hamlet of Tyanandur) to Survey No. 63 of Tyanandur.*—It enters the forest in the western boundary of the block at a point about 10 chains south-east from the south-east corner of Survey No. 12 of Sedagar and runs north-east for about 36 chains through Survey Nos. 61 and 62 of Tyanandur and quits the forest in the southern boundary of the block at a point about 11 chains south-west from the south-west corner of Survey No. 64 of Tyanandur.

9. *Foot-path from Kavari (hamlet of Jambuvalli) to Lingapura.*—It enters the forest in the southern boundary of the block at a point about 5 chains north-east from the north-east corner of Survey No. 50 of Jambuvalli and runs east and south-east for about 36 chains through Survey Nos. 52 of Jambuvalli and 75 and 74 of Lingapura and quits the forest in the southern boundary of the block at a point about 8 chains north-west from the north-west corner of Survey No. 72 of Lingapura.

ENCLOSURES.

1. A private kan measuring 112-3 guntas in Survey No. 11 and margin of Survey No. 12 of coffee land are clubbed together and treated as an enclosure with the following boundaries.

North.—Starting from a point about 7 chains north-west from the north-west corner of Survey No. 12 of Garaga and runs south-east, north-east and south-east for about 36 chains through Survey No. 11 to a point about 5 chains north from the north-east corner of Survey No. 12; then north for about 11 chains through Survey No. 11 to a point about 9 chains south from the tri-junction bandhs of Siranelli Jodi Inam Grama Hegalathi and Garga; then south-east for about 18 chains to a point on the common boundary between Singanbidre and Garga about 6 chains south from the tri-junction bandhs of the said two villages and Jodi Inam Grama Hegalathi.

East.—The the line runs south, south-west and south-east along the boundary between Garga and Singanbidre and reaches the settled demarcation line at a point about 5 chains north-west from the north-west corner of Survey No. 38 of Singanbidre then along the settled demarcation line through Survey No. 11 of Garga to a point about 5 chains south-west from the north-west corner of Survey No. 38 of Singanbidre; then south-west along the said common boundary reaches the settled demarcation line at the north-west corner of Survey No. 35 of Singanbidre; then along the settled demarcation line and the said common boundary to a point about 11 chains south from the north-east corner of Survey No. 35 of Singanbidre.

South.—Then the line runs west for about 16 chains through Survey No. 11 of Garga to a point about 20 chains south-west from the north-west corner of Survey No. 35 of Singanbidre.

West.—Then the line runs north for about 35 chains through Survey No. 11 to a point about 5 chains south from the southernmost corner of Survey No. 12; then north-west for about 31 chains through Survey Nos. 11 and 33 to a point about 6 chains south-west from the south-west corner of Survey No. 12; then north for about 10 chains to the starting point. Access to it by means of a foot-path No. 1 *supra*.

2. Two acres of coffee land situated in Survey No. 39 of Ubbur is treated as an enclosure with a margin of 5 chains all round. Access to it by means of a foot-path No. 4 *supra*.

CONCESSIONS.

The villagers of Garga are allowed to remove wooden materials necessary for building huts for poor people on free permits issued by the Forest Department, dry and green fuel

should be allowed to be taken free from the proposed forest on free permits to be issued by the Forest Department in reasonable quantities. Agricultural implements—vate, dadasu, seebu, cane, naru should be granted free at the rates noted below :—

1 ಎಕ್ರೆ	1 ವರ್ಷಕ್ಕೆ		1 ಎಕ್ರೆ	1 ವರ್ಷಕ್ಕೆ	
	ತೆರಿಗೆ	ಬಾಗಾಯ್ತಿಗೆ		ತೆರಿಗೆ	ಬಾಗಾಯ್ತಿಗೆ
ನೇಗಲು	2		ನೊಳ್ಳು	1	
ಈಚಲು	5		ಕೂರಡು	1	
ತೋಳಿ	4		ವಾಟೆ ಹೊರೆ	2	4 ಹೊರೆ
ಕೂರಗಿ ದಿಂಡು	1		ದಡಸು ಹೊರೆ	1	2 ,,
ಕುಂಟೆ ದಿಂಡು	1		ಬೆತ್ತದ ಹೊರೆ	2	4 ,,
ಹೆಗ್ಗುಟಿ ದಿಂಡು	1		ಸೀಬು ಹೊರೆ	10	30 ,,
ನೊಗ	1		ಬೀಡಿ ಕೆಲಸ ಮತ್ತು ಬಸರಿನಾರು	1 ಹೊರೆ ಪ್ರತಿಯೊಂದು	2 ಹೊರೆ

The villagers of Kikkeri are allowed to take free vate, naru, cane, dadasalu (broom-sticks) and bamboo for hedges, on free permits issued by the Forest Department at the quantities noted below :—

ವಂದೆಕರೆ ಬಾಗಾಯ್ತಿಗೆ 1 ವರ್ಷಕ್ಕೆ		ವಂದೆಕರೆ ತರಿ ಜಮೀನಿಗೆ 1 ವರ್ಷಕ್ಕೆ	
1 ವಾಟೆ	4 ಹೊರೆ	1 ವಾಟೆ	2 ಹೊರೆ
2 ಬೆತ್ತ	4 ,,	2 ನಾರು (ಬೆಂಜಿ, ಕಾರ, ಕಲಲು ಮತ್ತು ಬಸರಿ) ಪ್ರತಿಯೊಂದು	1 ಹೊರೆ

No. R. 14114—*Ft.* 172-19-5, *dated 24th June* 1920.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Forest Regulation (XI of 1900) that from 1st July 1920 the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof :—

Schedule.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga	Kumsi Sub-Taluk	A. g. 6742 33 or 10·53 sq uare miles.	Kudi	*North.*—Starting from a point on the left bank of the Kumadvathi river about 13 chains south-west from the north-west corner of Survey

No. 20 of Sudur, the line runs east for about 13 chains through Survey No. 16 of Sudur to the south-west corner of Survey No. 20; then along its south-side to its southernmost corner; then slightly north-east for about 12 chains through Survey No. 16 to the southernmost corner of Survey No. 17; then along its south-side to its south-east corner, then slightly north-east for about 5 chains through Survey No. 16 to a point on the high road leading from Nagar to Shimoga about 6 chains south-east from the north-east corner of Survey No. 17; then along the said high road for about 104 chains through Survey No. 104 chains through, Survey Nos. 16 and 11 of Sudur to the tri-junction bandhs of Sudur Chikmatli and Galigekola.

East.—Then the line runs south-east for about 17 chains along the common boundary between Chikmatli and Galigekola to a point about 11 chains north-west from the north-west corner of Survey No. 36 of Galigekola, then south for about 18 chains through Survey No. 1 Chikmatli to a point about 7 chains south-west from the north-west corner of Survey No. 35 of Galigekola then south-east for about 19 chains through Survey No. 1 of Chikmatli to a point about 10 chains south-east from the tri-junction bandhs of Chikmatli, Galigekola and Chinmane, then south-west for about 41 chains along the western boundary of Survey No. 2 of Chikmatli to the north-western corner of Survey No. 17 of Chikmatli; then south-west for about 33 chains through Survey No. 1 of Chikmatli to the north-west corner of Survey No. 44 of Dodmatli; then north-west for about 11 chains along the common boundary between Chikmatli and Dodmatli to a point about 10 chains north-west from the westernmost corner of Survey No. 44 of Dodmatli, then south-east for about 20 chains through Survey No. 42 of Dodmatli to a point about 5 chains south-west from the south-west corner of Survey No. 45; then south-east for about 26 chains to the north-west corner of Survey No. 41, then along its west side to its south-west corner; then south-east for about 20 chains through Survey No. 42 to a point on the common boundary between Dodmatli and Adinakotige about 10 chains south-west from the south-west corner of Survey No. 31 of Dodmatli, then south-east for about 20 chains through Survey No. 17 of Adinakotige, to the north-west corner of the katte situated on the west side of Survey No. 18 of Adinakotige, then along its west side of the said katte to its south-west corner; then south-east for about 26 chains through Survey No. 17 to a point on the common boundary between Adinakotige and Kudi about 6 chains south-west from the south-west corner of Survey No. 11 of Adinakotige, then south-east for about 26 chains through Survey No. 34 of Kudi to a point about 7 chains south-west from the south-west corner of Survey No. 36 of Kudi; then north-east for about 7 chains through Survey No. 34 to a point about 5 chains south-east from the south-east corner of Survey No. 36; then south-east for about 13 chains through Survey No. 34 to a point about 6 chains south-west from the south-west corner of Survey No. 22; then south-west for about 5 chains through Survey No. 34 to a point about 7 chains north-west from the westernmost corner of Survey No. 23; then south-east for about 13 chains through Survey No. 34 to a point about 5 chains south-west from the westernmost corner of Survey No. 25; then south-east for about 20 chains through Survey No. 34 to a point about 7 chains south-east from the north-east corner of Survey No. 28; then south-east for about 5 chains through Survey No. 34 to a point about 6 chains north-west from the south-west corner of Survey No. 28; then south-east for about 14 chains through Survey Nos. 34 and 31 to a point about 5 chains south-west from the south-west corner of Survey No. 30; then south-east for about 12 chains through Survey No. 31 to a point about 6 chains south-east from the south-east corner of Survey No. 30; then north-east for about 4 chains through Survey No. 31 to a point about 5 chains south-east from the south-east corner of Survey No. 30; then north-east for about 11 chains through Survey No. 31 to a point about 11 chains north-east from the north-east corner of Survey No. 30; then north-east for about 26 chains through Survey No. 31 to a point about a chain north-east from the south-east corner of Survey No. 9; then north-east for about 16 chains along the common boundary between Kudi and Thammadihalli to the south-west corner of Survey No. 49 of Thammadihalli; then north-east for about 14 chains along the southern boundary of Survey No. 49 to a point about 5 chains south-west from its south-east corner, then south-east for about 22 chains through Survey No. 36 of Thammadihalli to a point about 9 chains south-west from the south-west corner of Survey No. 37; then south-east for about 21 chains through Survey No. 36 to the south-west corner of a katte situated at the west of Survey No. 34 and south of Survey No. 30; then along the south and east side of the said katte to a point about 5 chains south-east from the south-west corner of Survey No. 25; then slightly north-east for about 11 chains through Survey No. 36 to a point about 5 chains south-east from the southernmost corner of Survey No. 25; then north-east for about 14 chains through Survey No. 36 to a point about 6 chains south from the south-east corner of Survey No. 25; then east for about 5 chains through Survey No. 36 to a point about 6 chains west from the south-west corner of Survey No. 27; then south-east for about 7 chains through Survey No. 36 to a point about 5 chains south-west from the south-west corner of Survey No. 27 of Tavarekoppa; then south-east for about 9 chains through Survey No. 26 of Tavarekoppa to a point about 5 chains south-west from the south-east corner of Survey No. 27; then south-east for about 10 chains through Survey No. 59 of Shirigere to a point about 5 chains south-west from the westernmost corner of Survey No. 54; then south-east for about 13 chains through Survey No. 59 of Shirigere to the westernmost corner of Survey No. 55 (tank); then along its west and south side of the said katte to its south-east corner; then south for about 2 chains through Survey No. 59 to a point about 5 chains south from the south-west corner of Survey No. 56; then south-east for about 10 chains through Survey No. 59 to a point about 5 chains south-west from the south-east corner of Survey No. 56; then north-east for about 6 chains through Survey No. 59 to a point about 5 chains south-east from the south-east corner of Survey No. 56; then south-east for about 60 chains through Survey No. 59 of Shirigere to a point on the common boundary between

Shirigere and Manjarekoppa about 36 chains south-east from the south-east corner of Survey No. 27 of Shirigere; then south-east for about 26 chains along the common boundary between Shirigere and Manjarikoppa to the north-east corner of Survey No. 60 of Shirigere.

South.—Then south-west, north-west, south-west and north-west the line runs along the northern boundary of Survey No. 60 to its north-west corner, then south-west for about 151 chains along the common boundary between Shirigere and Tavarekoppa to the south-west corner of Survey No. 60 of Shirigere; then south, south-east, south-west and south-east for about 114 chains along the common boundary between Tavarekoppa and Mallesankar State Forest to the trijunction bandhs of the said village and forest with Aravelli; then south and south-west for about 21 chains along the common boundary between Tavarekoppa and Arevalli to the tri-junction bandhs of the said 2 villages with Thammadihalli; then north-west and north for about 111 chains along the common boundary between Tammadihalli and Aranelli to the trijunction bandhs of the said 2 villages with Kudi; then north-west for about 110 chains along the common boundary between Kudi and Aranelli to the trijunction bandhs of the said 2 villages with Gubbiga.

West.—Then the line runs north and north-west along the common boundary between Kudi and Gubbiga to the quadro-junction bandhs of the said 2 villages with Adinakotige and Dodmatli; then west and south-west along the common boundary between Dodmatli and Gubbiga to the trijunction bandhs of the said 2 villages with Harohitlu; then north-east and north-west along the common boundary between Dodmatli and Harohitlu to the trijunction bandhs of the said 2 villages with Basavapura; then north-west, north-east, north-west and north for about 88 chains where the settled line joins the Kumadvathi river, and 41 chains by the left bank of the same river along the common boundary between Dodmatli and Sudur on one side and Basavapura on the other side to the starting point.

REMARKS.

The following rights of way are admitted within the block, for use by men, cattle and carts in case of cart-tracks which are 12 feet in width and for men and cattle only in case of foot-paths which are 6 feet in width and in case of cattle path for men and cattle which are 12 feet in width throughout the year.

I. *Cart-track leading from Chinmane to Dodmatli.*—It enters the forest in the eastern boundary of the block at a point about 8 chains south-east from the north-west corner of Survey No. 31 of Chinmane and passes south-west for about 42 chains through Survey No. 1 of Chikmatli and quits the forest in the eastern boundary of the block near the north-west corner of Survey No. 17 of Chikmatli.

II. *Cart-track leading from Harohitlu to Dodmatli.*—It enters the forest in the western boundary of the block at a point about 18 chains south-east from the trijunction bandhs of Harohitlu, Basavapura and Dodmatli and goes south-east and north-east for about 87 chains through Survey Nos. 43 of Dodmatli, 17 of Adinakotige and 42 of Dodmatli and quits the forest in the eastern boundary of the block at a point about 4 chains south-east from the south-west corner of Survey No. 41 of Dodmatli.

III. *Cattle-path leading from Adinkotige to Seegehalli.*—It enters the forest in the eastern boundary of the block at a point about 2 chains south-east from the south-west corner of a katte situated at the western side of Survey No. 18 of Adinakotige and passes west for about 18 chains through Survey No. 17 of Adinakotige and reaches the said halla.

IV. *Foot-path leading from Aranelli to Tammadihalli.*—It enters the forest in the southern boundary of the block at a point about 30 chains south-east from the trijunction bandhs of Kudi, Gubbiga and Aranelli and passes north-east through Survey Nos. 32 of Kudi and 35 and 36 of Tammadihalli and quits the forest in the eastern boundary of the block at a point about 6 chains south from the southernmost corner of Survey No. 34 of Tammadihalli.

V. *Foot-path leading from Harohitlu to Kudi.*—It enters the forest in the western boundary of the block at a point about a chain north-west from the north-west corner of Survey No. 31 of Kudi and passes east and north-east for about 86 chains through Survey No. 34 of Kudi and quits the forest in the eastern boundary of the block at a point about 6 chains north-west from the westernmost corner of Survey No. 25 of Kudi.

VI. *Foot-path leading from Aranelli to Tammadihalli.*—It enters the forest in the southern boundary of the block at a point about 39 chains north-west from the trijunction bandhs of Tavarekoppa, Aranelli and Mallesankar State Forest and passes north for about 67 chains along the settled demarcation line and 75 chains through Survey No. 35 of Tammadihalli and joins the foot-path No. IV *supra* at a point about a chain south-east from the north-west corner of Survey No. 35 of Tammadihalli.

VII. *Foot-path leading from Tammadihalli to Shirigere.*—It branches from number 4 *supra* at a point about 49 chains south-west from the south-west corner of Survey No. 26 of

Tavarekoppa and passes south-east, south-west and south for about 113 chains through Survey No. 36 of Tammadihalli and 25, 24 of Tavarekoppa, and quits the forest in the southern boundary of the block at the south-west corner of Survey No. 60 of Shirigere.

VIII. *Foot-path leading from Mallesankar to Shirigere.*—It enters the forest in the southern boundary of the block at a point about 50 chains north-east from the trijunction bandhs of Shirigere, Mallesankar and Mallesankar State Forest and goes north-west and north-east for about 38 chains through Survey No. 59 of Shirigere and quits the forest in the eastern boundary of the block at a point about 5 chains south-west from the south-east corner of Survey No. 56 of Shirigere.

IX. *Foot-path leading from Mallesankar to Tavarekoppa.*—It enters the forest in the southern boundary of the block at a point about 46 chains north-east from the trijunction bandhs of Shirigere Mallesankar State Forest and Mallesankar and passes north-west and north for about 77 chains through Survey Nos. 59 of Shirigere and 26 of Tavarekoppa and quits the forest in the eastern boundary of the block at a point about 5 chains south from the south-west corner of Survey No. 27 of Tavarekoppa.

X. *Foot-path leading from Mallesankar to Manjarikoppa.*—It enters the forest in the southern boundary of the block at a point about 26 chains north-west from the trijunction bandhs of Shirigere, Majarikoppa and Mallesankar and goes north-east for about 39 chains through Survey No. 59 of Shirigere and quits the forest in the eastern boundary of the block at a point about 29 chains south-east from the south-east corner of Survey No. 27 of Shirigere.

CONCESSIONS.

The villagers of Tammadihalli, Thavarekoppa and Shirigere are allowed to graze their cattla free in the proposed State Forest and the right of taking dry fuel free wood for joggery boiling, wood for agricultural implements (not indiscriminately but on free permits to be issued by the Forest Department).

No. R. 14334—*Ft.* 38-19-6, *dated* 28*th June* 1920.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the Provisions of Section 33 of the Mysore Forest Regulation (XI of 1900), that the area, the boundaries of which are described in the annexed schedule, is constituted a Village Forest under the provisions of the said Regulations.

2. The management of the forest will vest in the Panchayet constituted in accordance with rules issued under Notification No. 5804—Ft. 53-13-9, dated the 5th January 1915.

SCHEDULE.

District	Taluk	Hobli and village	Details of area	
			Survey number and class	Area A. g.
Bangalore	Devanhalli	Nallur in (Channarayapatna hobli).	Southern portion of Survey No. 38, gomal.	200, out of the total extent of 347—10.
